WD-SERIES

MOVING-HEAD WASH · IP65

WD 120 FX

led29072

Compact Fresnel wash with a 120 W RGBL engine: the lime component delivers high output and rich colour mixing, while a ring of 48 aura LEDs creates colour effects and backlight around the 140 mm lens. Motorised zoom (beam 5°–45°) and IP65 protection make the 7 kg fixture ideal for rental, touring and outdoor use.

TECHNICAL DATA
